Sheriffs Telling Our Parents & Promoting Educated Drivers

Sheriff Mike Yeager is proud to introduce the STOPPED program. The STOPPED Program is a parental notification project that was developed by the Onondago County Sheriff's Office (NY). This program is designed to reduce the number of youthful drivers involved in auto accidents.

Drivers age 16-20 account for the highest fatality and injury rates in all motor vehicle crashes.

Vehicle accidents are the leading cause of death among 16-20 year olds.

LETS WORK TOGETHER TO SEE THAT THIS TREND IS

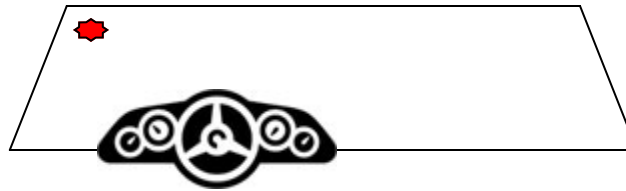

S.T.O.P.P.E.D.!!!

How it works

Parents **voluntarily** register with the Coweta County Sheriff's Office, any motor vehicle that will be operated by a driver under the age of 21

What then

An identification decal is issued and affixed to the windshield of each registered vehicle

What to expect

If for any reason the registered vehicle, when operated by a driver under the age of 21, is stopped by a Coweta County Sheriff's Deputy, the officer will complete a notification card providing the following information

- Time and location of stop
- Driver's Name and the number of passengers
- Reason for stop
- Whether any citations were issued

Notifications will be mailed directly to parents to make them aware of potential problems and enable them to enforce any parental rules that often coexist with teenage driving privileges.
